

CVC-325WPS

B/W Waterproof Bullet Camera with Sunshield and Infrared LED Lighting

Our 1/3" CCD bullet is designed to operate underwater. This series represents the best camera for high moisture applications. The cameras can operate up to 90 feet of water, and are well prepared to take on even the toughest weather conditions. They are furnished with a protective removable sunshield to block sun glare. The six IR LEDs offer 0 lux rating for low light conditions. Included are a 12V DC power supply and 6 foot cable. This model is encased in a black housing color, but it is also offered in silver (CVC-325WPS/S) and white (CVC-WPS/W) housing colors.

Specifications

Resolution	420 line horizontal
Minimum Illumination	0 lux
Image Sensor	1/3" B/W CCD image sensor
Shutter Control	Electronic shutter auto 1/60 - 1/100,000 seconds
Lens	3.6mm
IR LEDs	6 IR LEDs
Number of Pixels	512 horizontal x 492 vertical
Scanning Frequency	15.75 kHz horizontal 60 Hz vertical
Scanning System	EIA standard 525 line 60 fields/second
Video S/N Ratio	greater than 46 dB
Operating Temperature	14 degrees F - 122 degrees F
Humidity	within 95 % RH
Video Output Level	1.0 Vp-p 75 ohm
Outputs	Video-RCA with BNC adapter, power-DC jack
Power Consumption	100mA
Power Supply	regulated 12V DC power supply included (UL and CSA listed)
Hardware	6 foot cable included
Housing	black brass housing, 100 % waterproof, removable sunshield included
Dimensions	2.95"L x 1.94"W x 1.87"H
Weight	9.9 oz
